NORTHAMPTON TOWN FOOTBALL CLUB BOYS PLAYER PATHWAY

The NTFC Development Centre offers youth players an opportunity to progress and develop further as a footballer in a safe and positive learning environment. The Development Centre is the third tier in our player development system, with a chance to progress from the Development Centre to the Shadow Squad and from the Shadow Squad to the prestigious Academy. If a player is deemed of appropriate standard when playing for the Development Centre, he can then be promoted to the Shadow Squad, alternatively, players can be moved down to the Development Centre if they are striving to keep up with the standards of play, and players can move up to the Development Centre from Skills Centre if deemed appropriate. The four-tier system at NTFC means that players of all ability levels will get the chance to receive unmatched football experience and guaranteed player development from carefully selected coaches with many years of experience. Furthermore, players can continue to play for their local club while playing for NTFC.
